

THE NATIONAL DIRECTORY OF ALCOHOL ABUSE TREATMENT FACILITIES

CONNECTICUT

The National Directory of Drug and Alcohol Abuse Treatment Facilities is a listing of federal, state, and local government facilities and private facilities that provide substance abuse treatment services. It includes treatment facilities that (1) are licensed, certified, or otherwise approved for inclusion in the Directory by their State Substances Abuse Agency, and (2) responded to the National Survey of Substance Abuse Treatment Services (N-SSATS). The information about each facility that appears in the Directory was provided by that facility in response to the N-SSATS.

The Directory is ordered alphabetically by state, by city within each state, and by facility name within each city. Each facility listing includes codes that represent the services offered and other features of the facility, including codes that indicate services for hearing impaired and non-English-speaking clients. Codes are defined in a key shown at the back of each listing. Because the services offered by a particular facility may change over time, it is always a good idea to verify the information when contacting a facility.

The screenshot displays the SAMHSA Find Facility website interface. At the top left is the SAMHSA logo and navigation menu. A search bar at the top right contains the address "2609 East 14 Street, Suite 1018 Brooklyn, NY 11220". Below the search bar are filters for State, County, and Distance. A map of Connecticut is shown with various facility locations marked by colored dots. On the right side, a "Facility Listing Information" panel shows a list of facilities with details such as name, address, phone number, and distance from the search location.
