

THE NATIONAL DIRECTORY OF ALCOHOL ABUSE TREATMENT FACILITIES

INDIANA

The National Directory of Drug and Alcohol Abuse Treatment Facilities is a listing of federal, state, and local government facilities and private facilities that provide substance abuse treatment services. It includes treatment facilities that (1) are licensed, certified, or otherwise approved for inclusion in the Directory by their State Substances Abuse Agency, and (2) responded to the National Survey of Substance Abuse Treatment Services (N-SSATS). The information about each facility that appears in the Directory was provided by that facility in response to the N-SSATS.

The Directory is ordered alphabetically by state, by city within each state, and by facility name within each city. Each facility listing includes codes that represent the services offered and other features of the facility, including codes that indicate services for hearing impaired and non-English-speaking clients. Codes are defined in a key shown at the back of each listing. Because the services offered by a particular facility may change over time, it is always a good idea to verify the information when contacting a facility.

The screenshot displays the SAMHSA Find Facility web application. The top navigation bar includes the SAMHSA logo and the text "Substance Abuse and Mental Health Services Administration". The main content area is divided into a map on the left and a list of facilities on the right. The map shows the New York state area with various cities and treatment facilities marked with colored dots. The facility list on the right includes the following entries:
